The Keatchie College Register Index was copied by Mrs. Willie Huffman Farley several years ago. Mrs. Farley, now deceased, is well remembered by many researchers for her dedication to the genealogical field.

Keatchie College was one of the earliest and largest educational institutions in North Louisiana, located at Keatchi in DeSoto Parish. During its lifetime, Keatchi College was a Female Academy, Male Academy, and then Co-Educational.

The information extracted in this index is the student's name, parent or guardian, residence, and year(s) that student was registered.
